JULY CHALLENGE INFORMATION

This month the City of Diamond Bar is partnering with Agents of Discovery, an educational mobile gaming platform that uses augmented reality to get youth and adults active.

During the month of July, participants will visit one of the two selected Diamond Bar park locations and complete the challenges at the location using their mobile device. After all the questions are answered at each location, the participant will receive a completed message letting them know the challenge is finished for that location.

Challenge Locations:

Heritage Park (2900 S Brea Canyon Rd, Diamond Bar)
